Testimonials from homeowners

We've worked with other contractors and working with John was excellent in comparison. He worked hard to meet our expectation and delivered our home on time and on budget.

Richard Justice, Retired USAF Colonel

My husband and I purchased a new home from Johnathan over two years ago and have lived in the house full time since the purchase. The quality of work is excellent and Mr. Tidwell's professionalism and dedication to his craft are remarkable

Faith and Tony Gibson

When I have another house built, John Tidwell is the man I am calling on to get the job done.

Jeff Flowers

From beginning to end we couldn't be more pleased with the entire experience and would highly recommend Johnathan to any prospective home buyer. Rather than being just one more home buyer in a large development of cookie cutter homes, we choose Tidwell and are glad to recommend him.

Barry and Rosemary Graeber

I actually purchased my house while I was in Afghanistan and my wife was in Italy. John made the build easy and was extremely easy to work with. If I had to do it all over again, I would choose him to build and will if I decide to build another house.

SSG John Mathews, US Army "Rangers Lead the Way"
