

Natural Gas Ranges

To make your appliance shopping easier, we carefully selected six popular natural gas ranges from reputable manufacturers to display on our Valparaiso showroom floor. We understand the importance to see the product before purchase. We encourage you to stop by our office or click on the [BUY NOW](#) link below to check out the many features and color options these ranges have to offer.

Purchase your next natural gas range by selecting the model of your choice and clicking the [BUY NOW](#) link. It will take you to our Preferred Partner, Ferguson Bath, Kitchen and Lighting Gallery's online store to complete your purchase.

GE GRGB526DEHWW "Hotpoint" Gas Range

The Hotpoint 30 in. Freestanding Gas Range features a 1-piece upswept porcelain-enamel cooktop that helps contain spilled-over foods and liquids, making cleanup quick and easy. The range's spacious 4.8 cu. ft. oven features 2 sturdy racks that adjust into 6 embossed positions to suit your various baking needs. An oven light and window make it easy to check on the contents without opening the oven door and losing heat.

This model offers the following color options, prices may vary.
